

LEGAL PUBLIC HEARING NOTICE

The City of LaSalle, Illinois will be holding a Public Hearing to provide information about the City's plans for constructing water system improvements throughout the City of LaSalle. The hearing will be held at the following time, date, and location:

MEETING TIME: 6:30 P.M. Local Time
DATE: **Monday, July 29, 2019**
LOCATION: City Hall Council Chambers
745 Second Street
LaSalle, Illinois

Officials from the City of LaSalle and its consulting engineer will open the hearing with a brief informational presentation about the project. During the hearing, the City will review the findings of the project summary and the Preliminary Environmental Impact Determination.

Following presentation, the City staff will make a formal request for public comments. At the end of the hearing, the City staff and its consulting engineer will be available to address any concerns, questions, or comments that citizens may have about the project.

Those interested in making written public comments on the project must do so within 10 days after the date of this hearing, and shall forward such comments to the Illinois EPA, to be directed to the contact person at the IEPA address listed in the Preliminary Environmental Impact Determination document. Copies of both the Preliminary Engineering Report and the Preliminary Environmental Impact Determination are currently available for public viewing at the LaSalle Public Works Department, which is located at 745 Second Street, LaSalle.
