Alderman Herndon began the discussion of placing a handicap parking sign on 1703 Tonti St. Resident, Michael DeBartolo, has lived at 1703 Tonti for the last couple years. He has a medical history and would like to have a spot right in front of his home. He would like the sign south of the sidewalk, in front of his house.

Resident, Mike Schmotzer, of 1704 Tonti came forward to speak. He also owns 1701 Tonti St. and agrees that there have been issues with limited parking. Mr. Schmotzer states that the owner of 1703 Tonti St., Andy Kross, built a big garage with 3 spots, so his tenants did have parking at the 1703 residence. Mr. Schmotzer finds it very inconvenient that DeBartolo would need an additional spot in front of his home when he potentially has 5 that are very accessible to his home. Alderman Lavieri stated they have always granted a handicap sign to those who have been handicapped.

Moved by Alderman Lavieri and seconded by Alderman Crane to place a handicap parking sign for one spot, one vehicle south of sidewalk for 1703 Tonti St.
