PURPOSE OF LANDLORD TRAINING

- To improve communication between the City of La Salle and its landlords by:
 - Insuring all landlords are kept up to date on all current ordinances, rules and regulation regarding rental units in La Salle.
 - Insuring the City of La Salle has up to date contact information for property owners.
- To get feedback from landlords on possible ideas to improve housing in the City of La Salle.

STATS ABOUT LASALLE RENTALS

- Program was put into effect on March 31st 2003.
- The per-unit fee has remained the same since the program's inception.
- There are roughly 1,200 rental units in the City of La Salle and 700 landlords
- The program began as a response to a dramatic increase in rental units as an aging population sold off their older homes and buyers turned those units to rentals.
- The City of La Salle wanted to improve property maintenance issues by holding owner-occupied property as well as rental property owners accountable.

INSPECTION PROCESS

- All new rental units must pass an inspection before a license is issued.
- Inspection will be scheduled shortly after a request for a license and inspection is received
- All areas of the premises will be inspected inside and outside.
- Pre-inspection checklist and property maintenance hand book are available on the City of LaSalle Website under “Departments” and then “Building Department” on the front page.
- Failure to comply could result in violations/fines issued from \$50 up to \$500 per day of non-compliance.

INSPECTION PROCESS (CONT.)

- Violations may require follow-up inspection with possible additional inspection fee or delay in occupancy.
- After successfully completing the inspection process, a certificate will be sent via mail or email to the landlord's address.
- A license is good for a period of one year.
- Additional inspections will be determined by the amount of reoccurring complaints or violations.
- Landlord training certificate is good for 4 years and is a requirement to receive license.
